

SUPPLY LIST

Plein Air Landscape Painting Workshop

PLEASE HAVE EVERYTHING READY TO GO ON THE FIRST DAY OF CLASS

Supplies can be found at Blick and Graphids, please call us at (310)-837-7194 if you have any questions about the supply list.

Note from the Instructor: Think lightweight and portable for supplies for this class and find creative ways to simplify. I try to pack everything below in a backpack, but depending on the accessibility of the site, I sometimes prefer to use a caddy with wheels. I get most of my supplies online.

Portable Easel

Pochade Box – There are so many possibilities to use it is not possible to list them all. I have three different manufacturers and there are pluses and minuses for each one. Kline has French Easels that you can use until you decide what you want. Note: I do not recommend buying a French Easel. Although they are the least expensive, they are very heavy and not too stable.

Pallet

Wood or disposable paper pallet works well but many Plein air easels have a built in palette and yours may too.

Brushes

Assortment of boar bristle brushes (I suggest large #10 or #12, medium #6 or #8, and small #2 or #4 in Flats or Bright)

Painting Surface

Canvas mounted on board or gessoed wood panel (sizes can range from 6x8 to 12x16 My favorite size is 11x14). Canvas mounted panels are great for outside since they do not let the sun shine through.

Paints

I recommend a palette of a warm and cool version of the three primaries plus white (with maybe a few extras). Student grade is cheaper but contains less pigment so the colors are chalky. If you can, spend the extra for professional grade paints. I use Winsor & Newton, Gamblin, and Holbein and there are many other good options. Windsor Newton has Cadmium free colors that you can

substitute for all the Cad colors.

- Titanium White Utrecht
- Lemon Yellow or Cadmium Yellow Lemon ●
- Cadmium Yellow Med
- Yellow Ochre
- Alizarin Crimson
- Cadmium Red
- Ultramarine Blue
- Cobalt Blue
- Transparent Red Oxide

Optional Colors
