## SUPPLY LIST

### Alla Prima Portrait Painting

#### Painting Materials

You can order online from [Blick U.](#)

#### Brushes

The more the merrier! I recommend the Rosemary Eclipse series Synthetics. Have a variety of Flats, Filberts, and Rounds. Old or new, whatever you got, bring them. Garbage quality brushes will shed however so investing in good brushes is worth it.

- Rosemary Eclipse Series (SYNTHETIC)

#### Canvas

Bring whatever size you feel comfortable painting on, however I *highly* discourage anything smaller than 9x12. The sweet spot is 11x14, 12x16, 16x20.

These are great:

- Centurion Acrylic or Oil Primed Linen Sheets/Boards
- Claessens Oil Primed Linen
- Ampersand Gesso Boards

#### Paints

Gamblin is great. Avoid Artist Loft brand like the plague, and try not to get Winton series paints. "Student grade" generally means you are actually losing money because the paints are so dull and full of filler.

Mandatory Colors to bring:

- Titanium White
