## SUPPLY LIST

### Introduction to Landscape Painting

PLEASE HAVE EVERYTHING READY TO GO ON THE FIRST DAY OF CLASS

Note from the Instructor: Think lightweight and portable for supplies for this class and find creative ways to simplify. I try to pack everything below in a backpack, but depending on the accessibility of the site, I sometimes prefer to use a caddy with wheels. I get most of my supplies online.

You can order your supplies online by clicking [Blick U](#)

### Pallet

Wood or disposable paper pallet works well. My easel has a built in palette and yours may too.

### Brushes

Assortment of bristle brushes from Princeton (I suggest large #10 or #12, medium #6 or #8 and small #2 or #4 in Flats, Filberts or Round)

### Canvas

11" x 14" canvas or linen mounted on board or gessoed wood panel

### Paints

I recommend a minimal palette of a warm and cool version of the three primaries plus white (with maybe a few extras). Student grade is cheaper but contains less pigment so the colors are chalky. If you can, spend the extra for professional grade paints. I use Winsor & Newton, Gamblin, and Holbein and there are many other good options.
